RE: The Joint Commission (Formerly JCAHO)

To Whom it may concern,

We have been in communication with the Joint Commission (Formerly known as JCAHO) and they have informed us that, unlike they have done in the past, they no longer approve course providers.

For more information, follow the link below to the Joint Commission's Standards Interpretations site and fill out the online submission form; reference Joint Commission staff member Sheryl Smith, of the Division of Healthcare Improvement.
